

The Ocean Club

A FOUR SEASONS RESORT

BAHAMAS

Celebrations Trimmed in Tradition

HAPPY HOLIDAYS!

It is with great pleasure that I welcome you to the year-end celebrations at The Ocean Club, A Four Seasons Resort. Join in the rich culture and warm hospitality of The Bahamas. We have included countless ways to reconnect amongst yourselves and dive deeply into our destination.

Daily comforts pour from the seasoned hands of the Resort's most familiar faces. DUNE, iconic and timeless with fresh and exciting epicurean dining options exclusively available during the most wonderful time of the year, created by Michelin-starred Chef Jean-Georges. Local artisans and businesses infuse our hideaway with tradition and a chance to engage with the community.

Balancing indulgence with movement, an inspiring bodywork program keeps you invigorated, while the dedicated team at Kids for All Seasons rolls out daily activities that maximize fun in the sun.

Many of the activities are in high demand, and therefore we recommend that you book in advance. Please contact the Concierge or your butler. You can also Chat with us throughout your stay using the Four Seasons App. Features include the ability to make and change reservations, request luggage pick-up, airport transfers, in-room dining, restaurant and spa reservations, and much more.

We look forward to celebrating together.

COME GET TO KNOW US

It's rare to find a more genuine smile than that of a Bahamian. This warmth and hospitality is more than island-life; it's our way of welcoming you home. And as you've travelled all this way, it's our tradition to offer up a selection of famed local festivities. Pictured at right is Keith Cash, resort bartender, and member of The Ocean Club team since 1986. Cash was recently recognized as Best Bartender in the Bahamas by *Caribbean Journal*.

STRAW MARKET

Local artisans and craftsmen model a neighborhood bazaar in our centrally located Hartford Courtyard and Martini Bar Lounge. Experience Bahamian culture through the art of fine hand-rolled cigars, small-batch rum and traditional straw handicrafts. Held every Friday through Sunday during December to herald Resort celebrations.

JUNKANOO - RHYTHM OF THE BAHAMAS

Revered around the world – the vibrant display of costumed dancers and musicians is the epitome of what holidays in The Bahamas offer: celebration; dance; fanfare – it also doubles as one of the nation's fiercest competitions. Traditionally held on Boxing Day and New Year's Day, the Resort will host a Junkanoo rush on December 28th and January 3rd.

A POP OF ART WITH JANE WATEROUS

Our Artist-in-Residence Jane Waterous breathes more than LIFE into words like HOME or JOY. She's created a living lobby through her evocative and vividly colorful painting series, from *Gatherings* to *Into the Blue*, or the whimsical juxtaposition of emojis blithely unaware they've been cast from volatile resin. Her inventiveness knows no artful bounds, deeply influenced by the beauty of The Bahamas; considered home since 1998.

COMMEMORATIVE COFFEE TABLE BOOK

The Ocean Club, A Four Seasons Resort, in a partnership with luxury publisher Assouline, launched a limited-edition commemorative coffee table book. Discover one of the globe's most storied and iconic hotels in *The Ocean Club*, the definitive tome on the Bahamian property founded by notorious supermarket heir Huntington Hartford in 1962.

A favorite haunt of Slim Aarons and the jet-set crowd, and the location of a James Bond movie, the celebrated Resort continues to set the standard in star-studded tropical luxury.

A limited number of books are available to purchase on Assouline's web site and at the Resort.
