FOUR SEASONS RESORT BORA BORA

Welcome to a breathtaking cultural paradise, combining the relaxation and tranquillity of the South Pacific with invigorating Polynesian arts. Four Seasons Resort Bora Bora provides the highest standard of service, warmed with the natural ease and gracious hospitality of Polynesian culture.

Set upon Bora Bora's surrounding coral atoll, the Resort is a vast tropical grove, replete with coconut palms and pandanus trees. Meandering channels of pure turquoise lead to our main beach and a variety of smaller

lagoons, creating dozens of secluded areas waiting to be discovered. Every vista is breathtaking, and all have been carefully incorporated into the Resort's design.

Encompassing 22 hectares (54 acres), the Resort is a sprawling playground, offering a wide array of active pursuits. Guests can enjoy a range of water sports, including kayaking, diving, snorkelling, stand-up paddleboarding. Jet skis and tennis equipment are readily available, as are a host of excursions around the island and lagoon. The Resort's own marine biologist also provides a wealth of learning opportunities.

GUEST ROOMS

The Resort offers 115 spacious hideaways nestled around the Bora Bora lagoon and its outer beaches. The 108 overwater bungalow suites perch on stilts above the turquoise water. On the shore, seven beachfront villa estates sit along a stretch of private beach, boasting spectacular views of Mount Otemanu.

The interiors offer a spacious, restful and airy ambience, inspired by traditional architecture – with teak wood furnishings, local works of art, high ceilings and roofs thatched with pandanus leaves to accentuate the feel of Polynesia. Deep soaking tubs are positioned beside doors that slide open to reveal panoramic fresh-air views of the lagoon.

The Otemanu Overwater Bungalow Suites with Plunge Pool, at the very end of each pontoon, offer 147 m² (1,582 sq. ft.) of living space and unobstructed views of verdant, majestic

Mount Otemanu, whether from the spacious interior living area or from the teak lounge chairs on the extended deck. Each bungalow features dining space for four people, either indoors or beneath a pandanus-thatched outdoor pavilion, highlighted by an infinity-edged plunge pool.

Ideal for families or groups of friends, the Two- and Three-Bedroom Beachfront Villa Estates each have their own enclosed garden, with coconut trees, bougainvillea and tiare (Tahitian gardenia), a swimming pool, heated whirlpool and views of the lagoon and Mount Otemanu.

THE SPA

Located on the high summit of the Resort's motu, Te Mahana Spa at Four Seasons Resort Bora Bora is where the forces of energy and relaxation meet in harmony – where the surging, raw power of the Pacific Ocean meets the lagoon's tranquillity, capturing the unique balance that defines Bora Bora. The spa offers a veritable trove of natural therapies, extracted from native fruit herbs and other elements that harness the island's energy and flourish in its midst.

Guests can work out in the Resort's fitness centre, enhanced with motivating views of the South Pacific Ocean. A wide range of cutting-edge equipment is offered, as well as an overwater yoga platform.

Salon Services

Select hair and makeup styling is available with advance reservations.

Together we will work closely in accommodating your needs and preferences. We will ensure that you are immersed in a completely relaxing experience throughout the process.

Selecting the Date

We will be pleased to hold your preferred wedding date once a security deposit is received. Please note that we only conduct one wedding per day, giving you our total focus and priority.

Room Reservations

Four Seasons Resort Bora Bora offers an array of luxurious accommodations. Our reservations specialists will be pleased to assist you with room reservations for you and your guests. Feel free to contact us for more information:

reservations.borabora@fourseasons.com

Photographer and Videographer

Our wedding packages include photography services during your ceremony. We can also add videography, to further capture your special memories here. We would be more than happy to enhance your photo and video packages to meet your specific needs, which can include photos and videos in your room, or romantic pictures taken around the Resort before and after the ceremony.

Wedding Dinners

Enjoy a cocktail reception with your friends and family, sipping champagne and tasting delightful canapés on a private palm-lined area of the beach, as you all marvel at the incredible views of the lagoon. Enhanced by local flowers, your surroundings are set for a customized wedding dinner specially prepared by our Executive Chef. Enjoy the ultimate dining experience and savour a lifetime memory.

Wedding Cakes

Your customized wedding cake will be specially prepared by our Pastry Chef. Your cake can offer flavour combinations such as vanilla-praline, chocolate-raspberry and pineapple-coconut.

Floral and Décor

Your wedding venue, as well as wedding dinner table, will be decorated with fresh tropical flowers that our local floral artist can arrange according to your taste and budget. All wedding packages include a refined bridal bouquet, with your choice of a white or tropical-tone colour scheme. Please note the type of flowers may vary depending on the season. We will be happy to make further suggestions for floral arrangements, upon request.

Music and Entertainment

During the ceremony, your wedding package includes live Tahitian music with percussion, a conch shell blower, ukuleles, as well as dancing and singing. Additional options include fire dancing at the wedding site, as well as a traditional Polynesian show, fireworks, live band, etc., during or after your wedding dinner. Please ask us for further details.

Upon Arrival at the Resort

Prior to your wedding day, you will meet your on-site Four Seasons wedding planner to review all the details of your wedding. This person will be at your entire disposal from your arrival day until your departure, helping with any request you might have regarding your wedding experience.

Your Wedding Day

Your wedding ceremony begins in your private overwater bungalow suite or beachfront villa estate where, upon request, your photographer and/or videographer will start taking the first shots of your most memorable day. You will then be picked up by our Resort staff and brought to the wedding site by golf cart.

The couple will board a traditional Polynesian canoe for a photo opportunity, before being transported to their ceremony location, where they will be welcomed by Tahitian love songs and traditional dancing.

The Master of Ceremonies will unite the couple, and the bride and groom will be given a Polynesian name and enveloped in a tifaifai – a Polynesian quilt – as traditional music celebrates this union. The ceremony concludes with the presentation of a Tahitian marriage certificate.

LEGAL WEDDINGS

Your Four Seasons Wedding Planner

Since 2009, foreign visitors have been able to legally marry in French Polynesia. If you wish to plan a full legal marriage in Bora Bora, your Four Seasons wedding planner will be your key contact throughout the process of the legal marriage application. Please note that Four Seasons Resort Bora Bora does not operate religious unions in the island's churches. Only symbolic unions are held at the Resort, though we are pleased to assist our guests with all aspects of wedding planning, including the official paperwork and processes that take place at the island's government buildings.

Criteria for Legal Weddings

Both spouses:

- Must be at least 18 years of age
- Cannot be already married
- Cannot be domiciled in France or any other French Territory

The bride and groom should each choose witnesses – at least one each, but no more than two – who are 18 years of age or over. Witnesses can also be provided locally with the help of Four Seasons.

First Step – Eligibility

In order to verify that you are eligible for a legal wedding, please request an application form. According to the information provided, we will confirm if you are eligible.

Second Step – Documents for Your Application File

The local Town Hall in Vaitape requires that you provide the following documents:

- Proof of identity of both future spouses (copy of passports)
- Proof of residence for both future spouses (e.g., electricity bill invoice)
- If applicable, certificate of publication and non-opposition to marriage,* issued by a French consulate or a foreign authority
- Customary or capacity to be legally married certificate, also called affidavit of custom law*
- Full certified copy of the birth certificates* of both future spouses (the certificates must have been issued less than six months prior to the ceremony)

If applicable, the following special documents will also be requested:

- Death certificate* of the former spouse for widows or widowers
- Divorce decree if one of the spouses was previously married
- Marriage contract* or notary certificate, if the spouses have drawn up a marriage contract

**Please note: these documents must be translated into French by an approved official translator and authenticated in conformity with the provisions applicable to the spouses' country of origin. You may send the above documents to official translators in your country, to make all translations.*

Third Step – Sending the Documents

Once you have gathered all the documents, including the French-translated versions, please send them to us via email in PDF format and we will liaise with the Town Hall in Bora Bora to verify all documents. Upon validation of the completed file, you may send us the originals via FedEx.

If the above-mentioned documents, as required by French law, do not allow the Mayor to verify that all conditions are met (for instance, in some countries there is no mention in the margin of the birth certificate that indicates the existence of a previous marriage), the Mayor may request additional documents or an affidavit (certificat de coutume) issued by the authorities of the country of origin.

Time Frame

The duly completed file, including all the listed documents, must be sent to us no later than 90 days prior to the chosen wedding date.

Details of the Ceremony

Once the file is completed and submitted, the banns will be called and notice of the forthcoming marriage will be posted at the Town Hall, at least 10 days prior to the ceremony. On the wedding day, the future spouses, guests and witnesses will be taken by boat to attend the ceremony in the Town Hall of Vaitape.

The Mayor (or one of the Mayor's delegates) will conduct the ceremony in the presence of two witnesses and, if required, in the presence of a certified translator/interpreter convened by the Mayor prior to the ceremony.

The ceremony will be held in public, with the doors of the Town Hall remaining open at all times. After the marriage ceremony, a French Family Record Book (Livret de Famille) will be given to the spouses to keep. This record book will allow the spouses to prove that a wedding ceremony was held.

Upon Returning to Your Country of Residence

The spouses are responsible for contacting their national authorities to determine how a French marriage must be recorded under their country's laws and regulations.

Fee

A 180,000 XPF legal wedding fee will apply. The fee includes:

- A private luxury boat round trip to Vaitape (up to 12 people)
- A bottle of champagne for the bride and groom to enjoy on their way back to the Resort
- Assistance from the wedding planners in handling legal papers
- A translator's fee for the ceremony
- Two witnesses

Please note: this fee is subject to change, depending on the application.

RESORT DETAILS

Room Reservations

Based on availability, Four Seasons Resort Bora Bora offers group rates on weddings requiring 10 or more guest rooms. If you wish to confirm your wedding with us and recommend our Resort to your friends and family as the preferred place to stay for your wedding dates, we can offer special room rates on your block. Please consider the following options:

- You may hold and make a commitment to a specific number of guest rooms for which you will sign an agreement and earn the greatest discount based on availability. This includes up to 30% off by category (excluding Overwater Bungalow Suites with Plunge Pools), and up to 50% off Beachfront Villa Estates. In this case, you may provide a rooming list or have your guests contact us. A deposit, cut-off date and other agreement elements will be determined.
- If you do not wish to commit to a room block or sign an agreement, we can still arrange for a special negotiated rate for your guests. An offer summary will be sent to you to be signed. While we will not hold guest rooms, the rate will be based on availability at the time of call. We encourage your guests to confirm two to three months prior, if possible. We also suggest that guests mention the bride and groom's last names when making their reservation.

Please note that these special rates are available only on reservations booked directly with the Resort reservations team and that the discount is provided in good faith based upon a minimum projection of five rooms.

Food & Beverage

Please refer to our wedding banquet menu for examples of what can be organized during your stay and for your very special day.

Wedding Location and Canoe Transportation

Your selection of wedding location is to be determined in advance. Alternatively, a wedding site may be chosen no later than 48 hours prior to the ceremony. Canoe transportation will operate between the Aarii Moana beach and the chosen wedding location. No pick-up/drop-off will be done from/to the overwater bungalow suites for safety reasons. The Resort reserves the right not to offer canoe transportation depending on weather conditions.

Inclement Weather

The Resort reserves the right to make a final decision to move any outdoor function (including the wedding ceremony) to an indoor function room to expedite the set-up due to inclement weather.

The decision to move a function must be made no less than four (4) hours prior to scheduled start time. Upon availability and feasibility, the Resort may also suggest postponing the ceremony to a different date.

PAYMENTS & CANCELLATIONS

Deposit and Payment Terms

Payments may be made by credit card or wire transfer. The deposit schedule shall be as follows:

- 150,000 XPF deposit is required to block the date.
