BIENVENIDOS

it is with great pleasure and excitement that I extend a warm welcome to each of you as we usher in the vibrant and much-anticipated Spring Break season. Nestled in the heart of paradise, our resort is poised to offer an unforgettable experience, blending natural beauty, and unparalleled hospitality.

This season, we have launched a coastal resort experience like never before with the addition of the Virador Beach Club, where Eastern Mediterranean flavors and the Pura Vida energy meet. While the newly constructed Wellness Shala gives the opportunity to deeply connect with yourself and the elements around you. Our youngest guests can revel in the totally reimagined the Kids For All Seasons. Inspired by the magical mangroves in our ecological backyard, Peninsula Papagayo.

Our team has curated the following experiences as a gateway for your family's wanderlust. We recommend securing reservations for dining and other special occasions by connecting with the concierge team, ensuring a seamless experience.

Pura Vida,

VIRADOR BEACH *CLUB*

Virador Beach Club is a retreat away from the resort happenings with the effortless barefoot luxury of an Eastern Mediterranean beachside getaway. The outdoor spaces come to life with an oceanside eatery and lounge focused on Mediterranean flavors, while adults can expect to enjoy an infinity-edge pool and private cabanas.

WELLNESS SHALA

A sacred space for guests to unlock harmony and align with nature. Nestled high on the hills at a comfortable distance from the resort, the Wellness Shala is designed for guests to reconnect and find inner peace. The Wellness Shala is a bridge between modern wellness practices and ancestral rituals where guests become immersed in experiences that align the body, mind, and soul to the rich elements of this land.

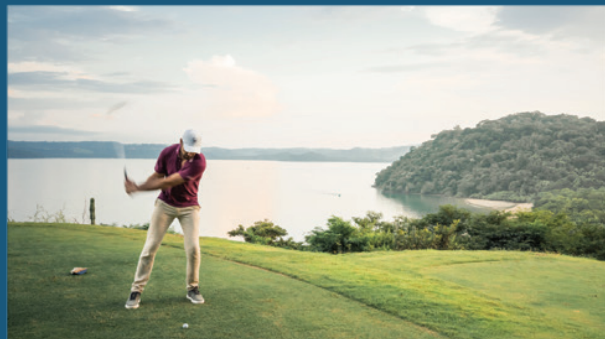

KIDS FOR ALL SEASONS

Inspired by the flora and fauna of the magical mangroves of Peninsula Papagayo, Kids For All Seasons will undergo a complete transformation. Featuring low-lying platforms that children can crawl or walk on, imitating the root system of the mangroves surrounding the resort. Natural materials are used to mimic its lush and diverse ecosystems, furnishings are made from ecologically sustainable materials in bright colors that invite children to play and explore. Moveable, flexible walls create a fluid environment incorporating technology, arts, and science.

GOLF

Known for its diverse wildlife, dramatic elevation changes and panoramic ocean vistas, the Ocean Course at Peninsula Papagayo is an Audubon Cooperative Sanctuary with sustainability at its forefront. Renovation includes a precision irrigation system that will reduce water usage by 20 percent. Further improvements consist of more teeing area and 12 acres of native vegetation with less bunkering to improve playability and make the course more strategic and beautiful.
