A large herd of elk is gathered in a snowy, open field. In the background, a range of rugged, snow-capped mountains rises against a clear blue sky. The scene is bright and clear, suggesting a winter day in a high-altitude or mountainous region.

# INTO THE WILD

---

Allow our Preferred DMC, RMC, to help you make the most of your outdoor experience. Watch bears, bison, elk and wolves roam their natural habitat during a private wildlife safari, catch a bird's-eye flight over the Teton Mountain Range, or discover some of the most secluded pockets of Yellowstone National Park.

Invite your guests to discover true Western adventure in Jackson Hole.

# SUMMER

---

Let our guides share their knowledge and love of this valley that they call home.

## SPIN THROUGH NATURE

Enjoy some of the best mountain biking in the Tetons, steps away on Jackson Hole Mountain Resort trail system. Options are available for every level - from novice to advanced trails and jump tracks. Sail over tabletops, flow around corners, and then catch the Teewinot lift for a 5-minute ride back to the top.

## STARGAZING

Experience some of the darkest skies in North America, providing the perfect backdrop for stargazing. Each session lasts one and a half hours and includes the use of a state-of-the-art telescope for an intimate view of nebulas, the cosmos, and more. Connect with your event manager to arrange food and beverage selections. Can be customized on-property or off-site.

## FLY FISHING

*Catch and Release*

---

Jackson Hole is known as a mecca for fly fishing, drawing enthusiasts from around the globe. Local guides offer casting and fly-tying lessons along with expert instruction while floating in custom drift boats. Just minutes from the Resort, Snake River offers abundant wildlife viewing, unsurpassed sceneries of the Tetons – and world-class fly fishing for native, cut-throat trout. Half-day, full-day trips, and custom, fly fishing packages are also available.

## DISCOVER HIDDEN GEMS OF YELLOWSTONE

Take in some of Yellowstone's off-the-beaten-path treasures with a customized exploration of its spectacular geysers, vibrant hot springs, fumaroles and mud volcanoes.

## YELLOWSTONE NATIONAL PARK

---

Full-day trips include traveling into Yellowstone National Park and viewing secret waterfalls and geysers of the pristine landscape. Trips will travel north through Grand Teton National Park, entering Yellowstone through the South Entrance. Travel around the entire “lower loop” road, visiting famous Yellowstone features like the Continental Divide, Old Faithful, and more. Knowledgeable guides will make frequent stops as opportunities for wildlife viewing present themselves. Arrange a trip to Yellowstone through our DMC or add on a day for your guests to explore the world’s first National Park.

## WILDLIFE SAFARIS

Led by a dedicated naturalist team, experience customized, four-hour expeditions in Grand Teton National Park, Bridger-Teton National Forest and National Elk Refuge.
