Giving you more room to spread out and relax, our signature Four Seasons Suites include both one-bedroom suites and studio suites. Both layouts include a spacious living room, separate king bedroom, and a private furnished lanai for outdoor dining or lounging. The Four Seasons Ocean-View Suites and Garden-View Suites offer the additional feature of a sofa bed in the living room – ideal for families with small children. The Studio Suites are located on corners of the buildings and include a floating wall separating the living room and bedroom. Studio suites may all connect to an additional room with two double beds – creating a two-bedroom suite. Views from Four Seasons Suites range from our gorgeous gardens to prime oceanfront.

ISLAND ADVENTURES

DISCOVER A SECLUDED PARADISE

Lāna'i offers an experience of untouched Hawai'i. At 90,000 acres (36,422 hectares), this tiny island – with just 3,100 residents – preserves a sense of uncrowded natural calm. Here you can explore an astonishing range of landscapes – from secluded beaches where you won't see another soul to cool, misty mountains that are a paradise for hiking and horseback riding. Let our Lāna'i Experience Planners assist you with all your dining and activity reservations; please contact (808) 565-2587 or exp.lanai@fourseasons.com.

HOW TO GET TO LĀNA'I ►

DESTINATION**DINING****ON-SITE RECREATION****GOLF****ISLAND ADVENTURES****HOW TO GET TO LĀNA'I**

This one-of-a-kind island is remarkably easy to reach. It's just a 30-minute flight from Honolulu International Airport, or a 45-minute ferry ride from Maui. Direct flights are available from domestic and international hubs to Honolulu on commercial or private jets.

AIR TRANSPORTATION

Elevate your Lāna'i experience, beginning with your flight. Lana'i Air offers luxury air service connecting Honolulu with the island of Lāna'i, customized to meet your travel plans. Seamless transfers, a private hangar and ground services at the airport and Resort offer a convenient way to begin your island adventure. Mokulele Airlines offers flights from Ho Honolulu International Airport (HNL) and Maui's Kahului Airport (OGG) to Lāna'i Airport (LNY).

FERRY

The Expeditions passenger ferry offers services between Lahaina, Maui and the Manele Small Boat Harbor on Lāna'i. The scenic ferry ride is 45 minutes. Private transfers via charter boat are also available.

ARRIVAL TRANSFERS

Four Seasons luxury shared-shuttle island transportation is included with all guest room and suite reservations. This includes arrival and departure transfers, inter-island shuttles, and activity and golf shuttles to and from the Resort. Reservations booked in an Ohana Suite or higher will receive upgraded arrival and departure transfers in a Tesla X. Both luxury transportation service options provide guests with exceptional comfort and complimentary Wi-Fi for their trip. For all island arrivals and

departures, transportation services must be arranged with the Resort at least 72 hours in advance. Upgraded transportation options are available for additional charges. Please contact us to make reservations. Guests arriving via private chartered flights, helicopters or chartered boat must arrange transportation in advance. Fees based on room booking apply.

RENTAL FLEET

Let our Lāna'i Experience Planners assist you in booking a 4x4 vehicle giving you the freedom to explore our 90,000-acre (36,422-hectare) island destination. Remember that only 30 miles (48 kilometers) of our island's roads are paved, so for serious exploring, a four-wheel-drive vehicle is the best option. Jeep Wranglers: Rental periods include a one-time full tank of gas, taxes and fees, and do not include insurance. Guest must be at least 25 years of age with a valid driver's license.

RESORT SHUTTLES

Complimentary resort shuttles to Lāna'i City are available; check with Ambassador Desk for reservations and shuttle schedules.

OCEAN VIEWS ON EVERY HOLE

Rated amongst the top courses in the US and Hawai'i, by organizations including *Golf Magazine* and *Golfweek*, our Jack Nicklaus Signature Manele Golf Course was designed to celebrate Lāna'i's dramatic, natural contrasts – from red cliffs and black lava outcroppings to stretches of vivid green above crashing blue surf. Available exclusively to Four Seasons guests, this 18-hole, par-72 course offers a uniquely private experience with a quiet, leisurely atmosphere. Every hole features an ocean-view and three holes are located on cliffs, using the Pacific as a water hazard. Complimentary golf club rentals are available for Resort guests playing 9- or 18-hole rounds.

ISLAND ADVENTURES

CELEBRATE LAND, SEA AND AIR

Head to Lāna'i's upcountry and discover scenery you might never expect in Hawai'i. Ride horseback through wooded upland trails and hidden valleys – home to axis deer, mouflon sheep and turkey. Hike through towering Cook pine trees to Koloiki Ridge or soar on a canopy tour at the Lāna'i Adventure Park. With only 30 miles (48 km) of paved roads – and no traffic lights – Lāna'i is ideal for exploring by Jeep off-roading tours. Adventures continue on the water with snorkel sails, tide pool exploration, sunset sails and snorkeling right off the beach in our own marine sanctuary. Let our Lāna'i Experience Planners coordinate every detail.
